École Secondaire Cariboo Hill Secondary School
8580 16th Ave
Burnaby, BC, V3N 1S6

Dear Sir/Madam,

The parents of École Secondaire Cariboo Hill Secondary School along with our students are once again organizing a drug and alcohol-free graduation celebration for our grade 12 students. A dry grad party is a tradition that we believe the students deserve, and one that is celebrated all across Canada with great success. It shows students that they can have a great time celebrating one of the most important milestones in their lives without the use of alcohol.

This year's dry grad event takes place on Friday, June 15, 2018, immediately following the formal dinner and dance party. It provides students with a safe venue to continue their celebration. The evening includes lots of fun activities, food, entertainment and exciting prizes.

The success of this after-grad party relies on significant volunteer support and community donations. It is partially funded by the graduating students' parents, as well as school fundraisers throughout the year including bottle and clothing drives, gift card fundraisers, pie and cookies sales, poinsettia sales, chocolate sales and hot dog sales. The balance is funded through sponsorships and donations from local businesses and community organizations.

We are writing to respectfully request your support in providing financial contribution or prize donation to help with the expenses for the event. All sponsors are recognized in our school publication before, during and after the event.

Any contribution you can make is greatly appreciated. Donations can be mailed to the school address indicated above to my attention or given directly to one of our dry grad committee parent representatives. On behalf of all the parents of the 2018 graduating students of École Secondaire Cariboo Hill Secondary School, please accept our sincere thanks for your support.

Sincerely,

Sunny Naidu
